TOTAL DRAMA ISLAND

Reality rocks, dude! The mind-blowing, bug-swatting finale of TOTAL DRAMA ISLAND is on its way. Get prepared for the big finish with an awesome TDI marathon on December 6th and 7th. Find out which campers are still in the game and which ones have walked the Dock of Shame. Will The Screaming Gophers dig in to win the final challenge? Or will The Killer Bass take home the grand prize – hook, line & sinker! Listen up, campers – catch the final episode on Thursday, December 11th only on Cartoon Network!

Dear Johnny DC,

I love your comics! They're a lot better than reading a book with no pictures all day!

Mikale Erhart, age 12
Belgrade, Montana

Can I quote you?

Dear Johnny DC,

I liked reading three new stories in issue #44 of CARTOON NETWORK BLOCK PARTY! I really was glad to see a new DEXTER'S LABORATORY story!

I also liked the deleted panels in the FOSTER'S HOME FOR IMAGINARY FRIENDS "Wash Out" story. Bloo sure went through a lot of work to get out of washing dishes. It was also fun seeing him get in trouble for memory flashbacks.

Allen Klingelhoets
Barron, Wisconsin

That FOSTER'S story WAS different. In fact, kids reading your letter who didn't read the story probably can't figure out what we're talking about!
— Johnny DC

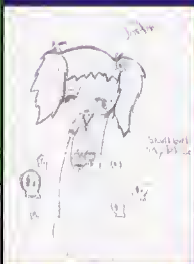

DRAWING BY MAIA BANKHEAD

Dear Johnny DC,

I love the POWERPUFF GIRLS. But I have two questions. Will DC Comics ever make a PPG comic book with a few stories in it? And also, do you think you'll ever have a PPG comic with the Rowdyruff Boys in it? And they fall in love? Please tell me!

Jordan Kunkler, age 10
Murray, Utah

Bad news, Jordan – the PPG used to have their own comic book and the RRB used to appear in CARTOON NETWORK ACTION PACK – but no more. BUT – you might be able to find a PPG digest at your local comic book store. And you're a good artist – why not make a Skull Girl comic for you and your friends? You can even have your characters fall in love!
— Johnny DC

"SKULL GIRL" BY JORDAN KUNKLER

Hello, Johnny DC,

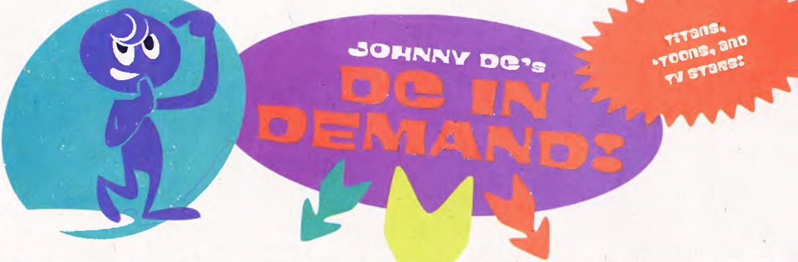

I read your mail page in CN BLOCK PARTY issue #44 and decided to write in. I've been a longtime reader, fan, and collector through the 1970s, '80s, and early '90s; then I got married and had kids and had to put my hobbies to the side to focus on raising the kids. When they reached 10 years old, I was able to pick back up on some of my hobbies, like watching baseball (go Yankees)! Now, at 14, my daughter took us to the comic book store and I was really glad to see all my DC favorites – Green Arrow and Black Canary in their own title, THE BRAVE AND THE BOLD, FLASH, BATMAN, SUPERMAN, Green Lantern and the Corps, WONDER WOMAN, and all of my favorite Cartoon Network stars in the BLOCK PARTY title. It feels so good to be back!

David Poore
Richmond, Virginia

Welcome back, David! You didn't have to wait 14 years. Some kids write in about their parents reading comic books together with them!
— Johnny DC
